

Your Life's balance sheet

Your Life's Balance Sheet

Preparing a budget help you determine what you can afford to spend on rent and other living cost. We've provided you with a rough estimation of your monthly monetary needs.

Rental RM800 to RM1,300

Location, type and facilities - these factors play a part in how much rental will cost.

Be moderate in your selection. Choose a comfortable choice instead of an extravagant one.

Food RM800 to RM1000

For three square meals, your recommended average daily budget is RM30.

Transportation RM300

Hopping in a cab too often may put your wallet in serious jeopardy. Public transportation such as public buses and commuter are the cheapest form of transportation to get you around.

If you have a car, invest a monthly parking pass.

Entertainment RM200

Tip #1 Movie tickets are cheaper on Wednesday

Tip #2 Your student card entitles you to discounts; from food, movie tickets and fashion to electronic goods.

Communication RM200

Mobile phone usage and internet service can be manageable. Utilise cost-saving apps such as Whatsapp, Telegram, Wechat, Line and etc. Wifi is available on campus.

Other Expenses RM300

Extra money for unexpected moments and emergencies - does not apply to late night hunger pangs.

A total estimation of living cost while studying with Taylor's College

Cost of living per month: Approx. RM2,600 - RM3,300

Cost of living annually: Approx. RM31,200 - RM39,600
